

Warwick Student Portal Accounts

Your Student Portal Account gives you information about your grades, attendance, and more so you can be in charge of your own learning. Below are a few tips on getting the most out of your account!

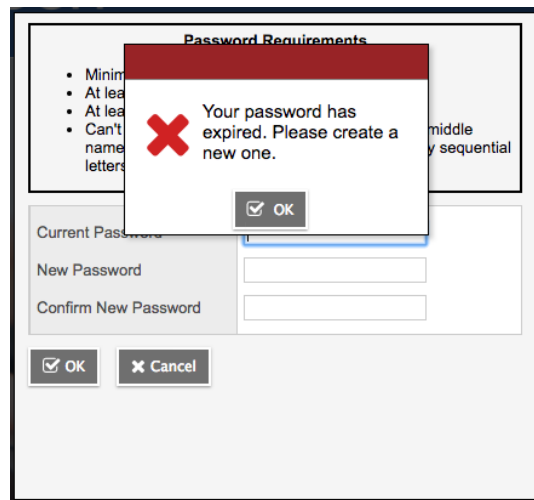

Here is a screencast that walks you through it - [Student Portal Account Introduction](#)

Logging In

- You can log in at this address: <https://ri-warwick.myfollett.com>
- This link can be found on your Chromebook under the “WPS Bookmarks” folder on the bookmarks bar
- It’s also on the Warwickschools.org website, under “Calendars/Links.” It’s the same login page as the Family Portal accounts your parents or family members may use

Your login name is the same as the beginning of your Warwick Google account - 20xx-firstname.lastname.

When you log in for the first time, you’ll be asked to change your password. *Pay attention to the Password Requirements listed at the top of the window!!* You won’t be able to make a new password unless it meets those requirements.

Try to make a password you’ll remember easily. If by some change you forget it, the front office staff at your school can reset it for you!

On the next page you’ll learn your way around your Student Portal pages.

Finding Your Way Around

The front page of your Portal account shows announcements, publish reports (like Report Cards) and assignments due.

- To see your info, like addresses, household contacts, your schedule, attendance, school transcript, and more, click “My Info” in the top tabs
- To see Academics, click the “Academics” top tab
